## WHO AM I ?

Young creative traveler with a background in art and cinema, I now aspire to find a job as a frontend web developer in a company with strong values and a dedicated purpose.

## SKILLS & ABILITIES

- Extremely adaptable: grew up abroad, third culture kid, global vision.
- Very much enjoy team work: worked on sets, art exhibits and numerous group projects.
- Efficient communication skills: good with people, can remain calm in stressful situations, comfortable presenting.
- Very creative: have tried a lot of different artistic mediums such as drawing, painting, sculpting and art installations.
- Highly motivated: curious, eager and ready to offer a fresh perspective.
- Good observation skills: rigorous, meticulous, attention to detail.
- Bilingual English & French (native language).

## STACK

## WORK EXPERIENCE

### Post-Production Intern | Immortal Cinema International

Los Angeles USA | June 2020

Work on the making of subtitles for a short film, help edit a movie in Premiere Pro, share feedback with the team on the progress of the project (all remotely)

### Film Production Assistant | UCLA Extension

Los Angeles USA | 2019-2020

For student films as part of my directing certificate at UCLA Extension, ensure the welfare of everyone on set, anticipate the needs of the crew, make sure everything runs steadily and as efficiently as possible in a fast paced environment

### Gallery Ambassador | Hammer Museum UCLA

Los Angeles USA | 2019-2020

Welcome visitors to the museum, ensure the wellbeing of every visitor and protect the artwork, make sure group visits take place smoothly

### Art Interpreter | Art Festival A Summer in Le Havre

Le Havre FRANCE | 2017 & 2018

Guide visitors, answer questions, bring knowledge to the public, help people understand the diverse works of art scattered around the city of Le Havre

## EDUCATION & TRAINING

### Web Dev & Mobile Training | Konexio - Ongoing

Intense Hard Skill training with weekly projects to ensure sufficient knowledge to succeed in finding an internship and acquiring professional skills, Friday's focus on Soft Skills, pitching, problem solving, PP presentations, interpersonal skills (19 weeks)

### Bootcamp Prep | Matrice - 2021 (4 weeks)

Algorithm training with Python3 and Rbean to prepare for intense web dev full stack bootcamps

### Frontend Training | Simplon - 2021 (7 weeks)

- Obtainment of certificate with a special prize from the jury - Training specifically tailored for women to discover the tech industry, acquisition of the fundamentals of frontend programming, design and construction of a website from A to Z

### Art School Master II (DNSEP) | ESADHaR - 2018

Acquisition of an Art Interpreter degree at the university of Le Havre, participation to the Creative Challenge exhibition in London in 2015 (partnership with UCA Canterbury)

## HOBBIES

I use my free time to go to the movies, write short screenplays or go to the swimming pool as I used to take classes in high school. I also enjoy photography, reading and listening to feminist podcasts.
